

SNIPER™ LUBRICATION EQUIPMENT**MX Series***Bucket Pump, Manual*DESCRIPTION

SNIPER™ Manual bucket pumps are needed for high-pressure applications. Benefits include operating ease and smooth efficiency. These pumps are rugged, long lasting, precision manufactured and portable. The pumps' strong spring and follower plate assembly assures positive priming of all types of light or heavy lubricants, sealants, or packing in hot or cold weather and will pump materials to NLGI-4 viscosity.
